NUR 423: Transitional Needs of Adults with Intellectual and/or Developmental Disabilities

Available fully online in Fall and Spring semesters

Section 840/841 – 3 credits

No prerequisites • Open to all majors • May be completed as an Honors option
Interprofessional course with service learning option.

Learn how to analyze the complex transitional needs of adults with intellectual and/or developmental disabilities, engage with them, and harness community resources to improve quality of life.

In this course, you will learn how to:

- Examine educational systems for individuals with intellectual and/or developmental disabilities
- Explore services to support community living and meaningful employment
- Support healthcare needs
- Explore financial, legal issues

WHAT OTHERS ARE SAYING:

“I can honestly say that NUR 423 has been the most worthwhile class I have taken at MSU.”
