

Semester 3 Overview

Class of 2028 - Spring Semester 2025
(SS25)

*This document serves as a guide for many of the notable events scheduled in semester 5 and may be subject to change. Students are responsible for reviewing the course schedule for the finalized dates, times, and locations of all course events as well as reviewing the schedule/syllabus to understand the course requirements. * While efforts are made, it is not always feasible to avoid all religious observances when developing the schedule; students may request excused absences when an exam conflicts with a religious observance.*
